

Heart of the Community Award

is presented to

American Heart Association

The American Heart Association is the nation's oldest and largest voluntary organization devoted to fighting cardiovascular diseases and stroke. Founded by six cardiologists in 1924, the organization now includes more than 22.5 million volunteers and supporters working tirelessly to eliminate these diseases. The American Heart Association funds innovative research, fights for stronger public health policies and provides lifesaving tools and information to save and improve lives.
