SCO Family of Services Madonna Heights

Mission: SCO Family of Services helps New Yorkers build a strong foundation for the future. They get young children off to a good start, launch youth into adulthood, stabilize and strengthen families and unlock potential for children and adults with special needs. SCO has provided vital human services throughout New York City and Long Island for over 125 years.

Madonna Heights, a program of SCO Family of Services, provides 24-hour care to address the physical, emotional, and social needs unique to women and girls who have experienced trauma. Located on 56 acres in Dix Hills, Madonna Heights offers residences, outpatient care, and a New York State Regents junior/senior high school. The women and girls are provided education, encouragement, and care designed to help them heal and thrive. Madonna Heights: Where hope brings change.
